M. K. Shumake, of Inman, called at the News office on business Monday.

Dunlap is the next place of meeting of the Sequachee Valley Baptist Association, Aug. 27, 28, 29.

Gov. Taylor has appointed Matt Gammon, Johnson City, warden at Inman prison, vice B. M. Rice.

Chamberlain's Colic, Cholera and Diarrhoea Remedy always affords prompt relief. For sale by C. H. Davidson.

Jim Bible, of Jasper, and G. A. R. Bible, of Sulphur Springs, Ga., spent Sunday here with relatives.—Bridgeport News.

Mr. Mark Martin's family removed to Cedar Springs Monday of last week and the town loses a good citizen and we a good neighbor.

The News staff were the recipients of the hospitality of Austin Copinger and family on Sunday, and we had lots of melons and good ones too.

The Bridgeport News says that proposed moving of the Hoffman man House to Sewanee is all nonsense, and that it has perfectly reliable information that the Hoffman House has not and will not become the property of the University of the South.

It is always gratifying to receive testimonials for Chamberlain's Colic, Cholera and Diarrhoea Remedy, and when it is from a physician it is especially so. There is no more satisfactory remedy than Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Dr. R. E. Robey, physician and pharmacist, of Olney, Mo., and as he has used the Remedy in his own family and sold it in his drug store for six years, he should certainly know. For sale by C. H. Davidson.

From Newark, N. J.: We are glad to receive the N. Y. Journal with an addition to our Blackberry pictures and some new music for which thanks.

Tom Layne, of Victoria, gave us a call Tuesday morning. Tom's address is now "down on the farm," and he thinks it quite as agreeable as store keeping, which is correct.

Miss Fannie Kate Pryor, of Jasper, contributes to the Statesman a letter descriptive of her trip West. It is well written and very interesting and as she very properly says "half is not yet told."

Mac Burnett brought two Poplar Black apples from John Kilgore's, one weighing 16 ounces, the other 15 1/2 ounces. Now we want one to weigh over 25 ounces, the weight of Abe Kilgore's of two years ago. Shall we get it?

Mr. William Thornton and wife and little daughter, Isabella, from the Pryor farm on the Tennessee river, was visiting relatives in Sequachee Saturday and Sunday. Mr. Thornton says crops are good in that section of the country.

Mr. A. G. Chaudoin, P. M., in addition to the trouble of moving had the misfortune to lose a child, still-born, Wednesday last. The funeral took place on Thursday. Rev. Umberger officiating. Mr. Chaudoin greatly appreciates and desires to thank his neighbors for their help and sympathy. Mrs. Chaudoin we are glad to hear is doing well.

"Let me give you a pointer," said M. F. Gress, a popular conductor on the Missouri Pacific railroad. "Do you know that Chamberlain's Colic, Cholera and Diarrhoea Remedy cures you when you have the stomach ache? Well, it does." And after giving this friendly bit of advice, the jolly conductor passed on down the aisle. It is a fact that thousands of railroad and traveling men never take a trip without a bottle of this remedy, which is the best cure for bowel disorders in the world. 25 and 50 cent bottles for sale by C. H. Davidson.

Rev. S. S. Catron, of Jasper, preached at Owen Church in the series of services which have been continued since Aug. 7, Tuesday evening of last week. It was a vigorous practical sermon to a good audience. The News representative being late took a seat on the female side of the church, but aside from hearing we could see nothing as a huge hat as big as a bushel basket cut off everything in front of us. It may be Christianity for women to wear big hats, but we will keep to the male side of the church hereafter. The singing was the best we ever heard here.

After a steady session of two weeks the revival services at Owen church closed Friday evening last. During the series Revs. R. S. Umberger and Jacob Houts, of Sequachee, Revs. S. S. Catron, J. W. Robertson and J. A. Darr, of Jasper, of the Methodist Church, South, officiated, and assistance was given by Mr. S. P. Pryor, who is preparing for the ministry in the Cumberland Presbyterian Church, and others. We hear that Mr. Pryor's addresses were well received, and now that the meeting is closed let us hope the good will be shown in the lives of the people.

VICTORY IN SIGHT.

Sequachee Plays a Close Game With Victoria but Quits in the Ninth.

Sequachee and Victoria met on the diamond here Saturday to see which could play the best ball. The Victoria team was a combination of the upper end of Marion County, there being players from Whitwell, Oak Grove and Ridge-dale, while the Sequachee team was entirely home talent.

The Sequachee boys clearly out-classed their opponents in fielding but were not so fortunate at the bat for the first three innings, but after that it was up and luck between the teams. The game was a fast one, not consuming over an hour and a half, and it was witnessed by an enthusiastic crowd. There was some of the loudest cheering and yelling that has ever been heard in heard in these parts for some time. For Sequachee Murray played an excellent game at short, Hill was unsurpassable at first, Allan Anderson made some good plays at 2nd, and Orrie Anderson was O. K. at 3rd. Graham pitched good ball and in the last four innings pitched in his old time form. The Sequachee boys were hampered for a catcher from the start. Jerry Fullur was put in to catch Graham in the first inning, but being too light for the work, Sam Roberson was substituted when he arrived on the scene, and did well in spite of the united opposition of the Victoria-Whitwell Ridge-dale Oak Grove base ball club.

The Victoria battery was in good form, and all the Victoria boys batted well. In the ninth inning when Sequachee was at bat, Murray, the first man up, was declared out at second on account of a thrown ball striking him. As Capt. Hill couldn't see the justice of the decision and as it was against all rules, he promptly took his men off the field and an inglorious victory was accorded to Victoria. If it had been a batted ball it would have been all right, but the Victoria boys should remember that when they come to Sequachee they must pay League ball and not "two-eyed cat" or "bull pen." The Sequachee boys had the game well in hand then with a man on 3rd base and none out and it is the belief of every body that they would have won, as Sequachee never has failed to rally in the ninth.

The score up to ninth inning was 7 to 11 in favor of the upper end of Marion County.
